

8 hour IA renewal course

This will be an FAA Approved IA Renewal Seminar, including presentations from the FAA, Aviation Manufacturers and vendors. This course will meet the renewal requirements mandated by 14 CFR 65.93 (a) (4). The course also meets the training requirements of the FAA's AMT Awards Program. Breakfast and lunch will be available please see Additional Information for details.

Directions: Also please see Map Link to the Hangar in Additional Event Documents.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
